Our Services

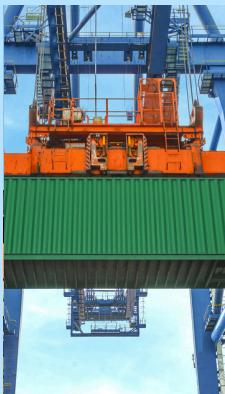

FREIGHT FORWARDING:

We handle all aspects of freight forwarding, from preparing shipping documents and customs declarations to ensuring compliance with import/export regulations and optimizing transportation routes.

CUSTOMS CLEARING & FORWARDING:

We offer smooth customs clearance processes, accurate tax estimation, and efficient handling of import/export documentation, ensuring compliance and minimizing delays.

BULK/PROJECT CARGO MANAGEMENT:

We provide tailored logistics solutions for large-scale transport projects, offering detailed planning, safe transport, and timely execution.

TRANSPORTATION SERVICES:

We coordinate intermodal transportation (road and rail) throughout the major cities in East Africa, focusing on optimizing cargo flow and reducing costs.

CONTAINER FREIGHT STATION (CFS) SERVICES:

Our CFS services in Mombasa and Nairobi offer extended grace periods, faster verification, and reduced storage costs, enhancing business efficiency.

LOOSE CARGO (LCL) SERVICES:

We manage the documentation and secure handling of loose cargo, ensuring safe and efficient delivery to your chosen destination.

WAREHOUSING:

We offer a diverse range of warehousing options, providing secure, clean, and conveniently located storage solutions both at ports and inland.

TRANSSHIPMENT CARGO:

We manage the entire transshipment process for goods passing through the port of Mombasa, ensuring timely and cost-effective delivery to the final destination.

Why Choose Jumbo Interlinks Limited?

At Jumbo Interlinks Limited, we are committed to delivering high-quality logistics and freight solutions that exceed our clients' expectations. With a focus on safety, reliability, and technological innovation, we strive to be the trusted partner that drives your business forward.

Connecting East Africa to the World

Jumbo Interlinks Limited plays a crucial role in connecting East Africa to the global market through its comprehensive logistics and freight services. Here's how the company facilitates this connection:

Port of Mombasa as a Gateway: Jumbo Interlinks Limited operates primarily out of the Port of Mombasa, one of the largest and most strategic ports in East Africa. This port serves as a key entry and exit point for goods moving between East Africa and the rest of the world.

Regional Reach: The company provides logistics services to all major cities in the Eastern Africa region, including Tanzania and landlocked countries like Uganda, Rwanda, South Sudan, and the Democratic Republic of Congo. By linking these landlocked regions to the Port of Mombasa, Jumbo Interlinks facilitates seamless access to international markets.
