# Connecting East Africa to the World

---

Jumbo Interlinks Limited plays a crucial role in connecting East Africa to the global market through its comprehensive logistics services. Here's how the company facilitates this connection:

**Port of Mombasa as a Gateway:** Jumbo Interlinks Limited operates primarily out of the Port of Mombasa, one of the largest and most strategic ports in East Africa. This port serves as a key entry and exit point for goods moving between East Africa and the rest of the world.

**Regional Reach:** The company provides logistics services to all major cities in the Eastern Africa region, including Tanzania, Somalia and landlocked countries like Uganda, Rwanda, South Sudan, Ethiopia and the Democratic Republic of Congo. By linking these landlocked regions to the Port of Mombasa, Jumbo Interlinks facilitates seamless access to international markets.
